

Origin of Elements & Cosmic Evolution 2025

WORKSHOP

November 10 - 14

Peng Huanwu Collaborative Center
for Research and Education,
Beihang University, Beijing, China

TOPICS

High-resolution spectroscopy

Galactic archeology

nucleosynthesis

Neutrinos and weak interactions

Stellar abundances

Nuclear reactions for astrophysics Heavy element

Stellar evolution & supernova

.....

Scientific Organizing Committee

Toshitaka KAJINO (Beihang University)

Weiping LIU (SUSTech)

Jianrong SHI (NAOC)

Haining LI (NAOC)

Xiaodong TANG (IMP)
