

18th International Conference on Ion Sources

Monday, 2 September 2019

Polarized ion sources (09:30 - 10:30)

time	[id] title	presenter
09:30	[2] Review of high intensity ion source development and operation for worldwide nuclear science facility	PARDO, Richard
10:00	[1] High power accelerators for basic science research and applications and requirements to ion sources	ZHAN, Wenlong

Thursday, 5 September 2019

Polarized ion sources (10:00 - 10:30)

time	[id]	title	presenter
10:00	[44]	High-intensity polarized H- and 3He++ sources development at RHIC	ZELENSKI , Anatoni
