

Opportunities of SRC Studies with New Accelerator Facilities in China

Contribution ID: 53

Type: not specified

Proton-proton momentum correlation function as a probe of SRCs in the nucleon momentum distribution

Sunday, 5 November 2023 17:00 (30 minutes)

Primary author: Prof. WEI, Gaofeng (Guizhou Normal University)

Presenter: Prof. WEI, Gaofeng (Guizhou Normal University)

Session Classification: Afternoon Section
