

LIGHT CONE 2024

Hadron Physics in the EIC era

📍 The Institute of Modern Physics,
Chinese Academy of Sciences,
Huizhou Campus, China.

📅 November 25-29, 2024

Physics Topics and Tools

- » Physics of EIC and EicC
- » Hadron spectroscopy and reactions
- » Hadron/nuclear structure
- » Spin physics
- » Relativistic many-body physics
- » QCD phase structure
- » Light-front field theory
- » AdS/CFT and holography
- » Nonperturbative QFT methods
- » Effective field theories
- » Lattice field theories
- » Quantum computing
- » Present and future facilities

International Advisory Committee

- | | |
|--|---|
| » Stanley J. Brodsky (SLAC) | » Wojciech Broniowski (JKU & Cracow, INP) |
| » Ho-Meoyng Choi (Kyungpook National U.) | » Tobias Frederico (ITA) |
| » Stanislaw D. Glazek (Warsaw U.) | » John R. Hiller (Idaho U.) |

| » Barbara Pasquini (Pavia U.) | » Giovanni Salmè (INFN Roma) |
| » Wayne Nicholas Polyzou (U. of Iowa) | » James P. Vary (Iowa State U.) |
| » Nico G. Stefanis (Ruhr U.) | |

Local Organizing Committee

- » Xingbo Zhao (IMP, chair)
- » Jiangshan Lan (IMP, co-chair)
- » Yang Li (USTC)
- » Chandan Mondal (IMP)
- » Satvir Kaur (IMP)
- » Siqi Xu (IMP)
- » Yair Mulian (IMP)
- » Yuxiang Zhao (IMP)

Registration and abstract submission opens : 1st April, 2024

Abstract submission deadline : 31st August, 2024

Registration closes : 31st October, 2024
